

Partner with the Supplier Development Programme

Get more local suppliers bidding for your contracts by becoming an affiliate partner of the Supplier Development Programme, with access to over 20,000 suppliers.

Bespoke Webinars

Whether you're sharing upcoming projects with the supply chain, gathering market feedback, or guiding potential bidders through your procurement processes, we can facilitate online webinars and provide post-webinar reporting.

In-Person Events

Engage with your supply chain face-to-face, with ease. We'll manage registration and provide on-the-day event support, and you'll also benefit from complimentary stands at our Meet the Buyer events (subject to availability).

Promotion & Marketing

Let us signpost your content to the right people. We can help promote contract opportunities by featuring you across social media, newsletters, and PR activity, alongside a listing on our SDP website, accessible to our supplier database.

Evidence Social Value

Through us, connect with a wide network of supply chain professionals who share a commitment to the Sustainable Procurement Duty and Community Wealth Building, while exchanging best practice and collaboration opportunities.
