What is Meet the Buyer North?

Meet the Buyer North is THE biggest procurement event of its kind in the North of Scotland, where buying teams from a range of public sector organisations, business support agencies and even private sector contractors (that want to expand their supply chains to deliver contracts on behalf of the public sector) can engage with potential suppliers.

Supported by the Scottish Government and hosted by the Supplier Development Programme, this event aims to make opportunities within the public and private sector supply chain, as well as business support, more accessible to businesses and third sector organisations, helping the businesses in the Highlands and Islands become 'tender ready'.

Are you delivering for the public sector in the North of Scotland? Meet the Buyer North 2025 is the ultimate showcase for you to demonstrate your commitment to engaging with local businesses and find new suppliers for your supply chain!

This year's Meet the Buyer North event will be held at The Music Hall, Aberdeen, on Wednesday 10 September 2025. This event is set to attract more than 600 suppliers.
