2 Contract Details

2.1 Title

Design, Fabrication, Installation and Commission of a USAR Internal Work at Height Training Facility

2.2 Description of the goods or services required

Mid and West Wales Fire and Rescue Service are seeking quotations from companies interested in undertaking the design, fabrication, installation and commissioning of a working at height training facility within its Urban Search and Rescue training building at our Earlswood Training site in Jersey Marine, Neath, SA10 6NG.

The procurement will deliver the provision of design, fabrication, installation and commission of an internal working at height training facility within a portal frame industrial unit. This will be utilised to facilitate working at height/rope rescue training for operational emergency service personnel.

All work must be completed and the invoice submitted by no later than 15th March 2019.

The contract period will run until the 15th March 2020, which will allow for all work to be completed and invoiced by no later than the 15th March 2019 along with a 12-month defect liability period.

NOTE: To register your interest in this notice and obtain any additional information please visit the Sell2Wales Web Site at https://www.sell2wales.gov.wales/Search/Search_Switch.aspx?ID=88190.

The buyer has indicated that it will accept electronic responses to this notice via the Postbox facility. A user guide is available at https://www.sell2wales.gov.wales/sitehelp/help_guides.aspx.

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.
