In the case of renewable supplies or service contracts, estimated time frame for subsequent contracts:

## **SECTION III: LEGAL, ECONOMIC, FINANCIAL AND TECHNICAL INFORMATION**

### **III.1) Conditions Relating to the Contract**

III.1.1) Deposits and guarantees required

A bank guarantee may be required

III.1.2) Main Terms of financing and payment and/or reference to the relevant provisions

Payment on Delivery via Contracting, Purchasing and Finance (CP & F)

III.1.3) Legal form to be taken by the grouping of suppliers, contractors or service providers to whom the contract is to be awarded

If a group of economic operators submits a bid, the group must nominate a lead organisation to deal with the Authority. The Authority shall require the group to form a legal entity before entering into the contract.

III.1.4) Other particular conditions to which the performance of the contract is subject

The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by a Security Aspects Letter, the Authority reserves the right to amend the terms of the Security Aspects Letter to reflect any changes in national law or government policy, whether in respect of the applicable protective marking

scheme; specific protective markings given the aspects to which any protective marking applies or otherwise.

III.1.5) Information about security clearance

Candidates which do not yet hold security clearance may obtain such clearance until:

**III.2) Conditions for Participation**

III.2.1) Personal situation

Criteria regarding the personal situation of economic operators (that may lead to their exclusion) including requirements relating to enrolment on professional or trade registers Information and formalities necessary for evaluating if the requirements are met:

The Authority will apply all the offences listed in Article 39(1) of Directive 2009/81/EC (implemented as Regulation 23(1) of the Defence and Security Public Contract Regulations (DSPCR) 2011 in the UK) and all of the professional misconducts listed at Article 39(2) of Directive 2009/81/EC (see also Regulation 23(2) in the DSPCR 2011) to the decision of whether a Candidate is eligible to be invited to tender.

A full list of the Regulation 23(1) and 23(2) criteria are at

<http://www.contracts.mod.uk/delta/project/reasonsForExclusion.html#dspr>

Candidates will be required to sign a declaration confirming whether they do or do not have any of the listed criteria as part of the pre-qualification process.

Candidates who have been convicted of any of the offences under Article 39(1) are ineligible and will not be selected to bid, unless there are overriding requirements in the general interest (including defence and security factors) for doing so candidates who are guilty of any of the offences, circumstances or misconduct under Article 39(2) may be excluded from being selected to bid at the discretion of the Authority.

a) Appropriate statements from the economic operator's bankers or where appropriate, evidence of relevant professional risk indemnity insurance;

b) The presentation of balance-sheets or extracts from the balance-sheets, where publication of the balance-sheet is required under the law of the country in which the economic operator is established;

c) where appropriate, a statement, covering the 3 previous financial years of the economic operator, of:

— the overall turnover of the business of the economic operator and

— where appropriate, the turnover in respect of the work, works, goods or services which are of a similar type to the subject matter of the contract.

Criteria regarding the personal situation of subcontractors (that may lead to their rejection) including requirements relating to enrolment on professional or trade registers (if applicable)

Information and formalities necessary for evaluating if the requirements are met:

III.2.2) Economic and financial standing

Criteria regarding the economic and financial standing of economic operators (that may lead to their exclusion)

Information and formalities necessary for evaluating if the requirements are met:

Minimum level(s) of standards possibly required:

Criteria regarding the economic and financial standing of subcontractors (that may lead to their rejection) *(if applicable)*

Information and formalities necessary for evaluating if the requirements are met:

Minimum level(s) of standards possibly required:
