# North Lanarkshire City Deal Infrastructure Programme

- Total capital investment of £172.5m over the next 10 years;
- Dedicated in-house design & programme team;
- Economic drivers for NLC's Infrastructure Programme:
  - exploit existing road transportation links;
  - support stalled investment within established commercial sites;
  - ignite new housing development;
  - enhance resident accessibility to work and training; and
  - improve business productivity.
